A SOUTH Lakeland hotel has teamed up with a furniture company to help reduce unnecessary waste.

The Langdale Hotel has been recycling its unwanted furniture by donating it to Impact Furniture Services.

Impact Furniture Services operates throughout Cumbria, collecting unwanted, reusable pieces of furniture, and providing it to disadvantaged groups.

Nick Lancaster, general manager of the Lancaster Hotel, said: "The Langdale Hotel has made a long-term commitment to find ways to reduce the amount of waste we send to landfill.

"Working with Impact Furniture Services has been great, we no longer have to waste money using skips for unwanted furniture and appliances can be put to further use."

Audrey Riordan, Impact Furniture Services project co-ordinator, said: "Getting good condition donations from hotels means IFS can provide quality second hand furniture to disadvantaged groups.

"We would welcome any other local businesses looking to follow the Langdale Hotel's lead to get in touch."

Businesses wanting to recycle furniture can contact Impact Furniture Services on 01228 633655 or email lynseyb@impacthousing.org.uk
