

Purdey's Restaurant

May I extend a warm welcome to Purdey's Restaurant.

It gives me great pleasure to present our Wine List, which I hope you will find interesting and appealing.

The world of wine has changed such a lot in the last decade, with wines imported into the UK from around the globe.

We have spent a long time selecting a quality range representing the best of what is available and hope that there is something to suit every palate.

Please note that vintages are subject to market conditions, when a vintage is exhausted the next most appropriate will be offered.

Kind Regards,

Deepak Yadav
